S.A.F.T. – Simple Agreement for Future Tokens

This Simple Agreement for Future Tokens (SAFT) is entered into on [Date], by and between:

Company: Treasure Hunters (“Issuer”), a Swiss legal entity registered under the laws of Switzerland, with headquarters located at Route de Rossemaison 100, 2800 Delémont.

Investor: [Investor Name], with a contribution of [Investment Amount in USD/CHF].

The Issuer is developing a utility token named **$HUNT**, to be used within the Treasure Hunters ecosystem. The Investor wishes to acquire a right to receive future tokens under the conditions defined below.

---

1. Definitions

- **“Token”**: refers to the digital token $HUNT to be issued by the Company.
- **“TGE”**: Token Generation Event, the public release of the $HUNT token.
- **“Vesting Schedule”**: the distribution timeline of the tokens post-TGE.

2. Purchase Terms

The Investor contributes **[Investment Amount]** in **[USDC/USDT/CHF]**, in exchange for the right to receive $HUNT tokens at the price of **$0.0065** per token.

This agreement corresponds to the following round: **Seed Sale**.

3. Token Delivery and Vesting

Upon TGE, the Investor will receive the allocated $HUNT tokens according to the following vesting schedule:

- **Cliff**: 3 months after TGE
- **TGE Unlock**: 10% at TGE
- **Vesting**: 12 months linear, monthly

Tokens will be distributed only upon successful completion of a Know Your Customer (KYC) and Anti-Money Laundering (AML) verification process, as required by the Issuer.
The Investor agrees to provide all necessary information and documentation to complete this verification.
Failure to comply with the KYC/AML process may result in delayed or canceled token delivery.

Tokens will be distributed to the wallet address provided by the Investor prior to the TGE, once verification is complete.

4. Representations and Warranties

The Investor declares:

- To be knowledgeable about crypto-assets and aware of the risks associated with token investments.
- That their contribution is legally compliant and does not breach any applicable laws.
- That the Investor has not been solicited to invest and does so at their own discretion.

The Issuer makes no guarantee regarding the price, listing, or future value of the $HUNT token.

5. Miscellaneous

- This agreement does not constitute an equity or security offering.
- It is non-transferable without prior written consent from the Issuer.
- This agreement shall be governed by the laws of Switzerland with exclusive jurisdiction in **Delémont**.

Executed in two copies, signed electronically or physically.
